PUBLISHING OF PHOTOGRAPHS AND VIDEO

Pictures of Unnamed Students: Students may occasionally appear in photographs and video taken by school staff members, other students, or other individuals authorized by the Building Principal. The school may use these pictures, without identifying the student, in various publications, including the school newspaper and school website. No consent or notice is needed or will be given before the school uses pictures of unnamed students taken while they are at school or a school related activity.

Pictures of Named Students: Many times, however, the school will want to identify a student in a school picture. School officials want to acknowledge those students who participate in a school activity or deserve special recognition.

In order for the school to publish a picture with a student identified by name, one of the student's parents or guardians must sign a consent form. Please complete and sign this form to allow the school publish and otherwise use photographs and videotapes, with your student or ward identified, while he or she is enrolled in this school.

I grant consent to Kankakee Area Career Center to identify a picture of my student or ward, by full name and/or the school he or she attends, in any school sponsored material, publication, videotape, or website. This consent must be renewed annually while enrolled in the Kankakee Area Career Center. I may revoke this consent at any time by notifying the Building Principal.

School staff members will not, however, identify a student for an outside photographer.
