Goodbye August Hello September

The past few weeks have flown by. We are now finishing up one of the hardest chapters next week. We begin product knowledge and hands-on doll work next week which means we will have another busy month. Stay focused, be in dress code and you will do great!

Don't forget your ONE WORD

KACC Open House

We encourage all students to bring their parents to our open house on September 25 from 4pm-8pm. This is a great time to introduce your cosmetology instructors to your parents and show off your school.
